

President's Pen

Dear Members,

Fond greetings to all of you. As I was installed as President 2 years ago, Rose said to me "You will not believe how fast the next 2 years will go." Truer words were never spoken. It has been an honor and a privilege to be your President for the last 2 years. We have an amazing Woman's Club and Board. The last 2 years were filled with Programs, outings, service projects, fundraising opportunities and loyalty between our members. When there is a need, someone always steps up and fills it.

Come with me as we remember some of the wonderful times we have experienced. In addition to our annual Christmas Housewalks, we held a Garden Walk in June 2016, organized by the project committee headed by Barb Deckinga, Rose Zubik and Sherry TerMaat. It started with a delicious breakfast provided by Royalberry. Joan Meyers, Mary Soder and committee, transformed the Orchard room into a beautiful garden setting after which we visited all the spectacular gardens.

That December, we experienced "Christmas at the Walnut Room," a true walk down memory lane. The "Big Tree" in the middle of the room, presents underneath, awesome centerpieces that went to needy children and inspired delectable food. The whole evening was a thank you to all our members for giving of themselves to all our charitable causes.

September 2017, took us outside on a very warm evening as we experienced "Harvest in the Heights," a fundraiser for our LED sign for the Rec Center. Again, our project committee put together a fun evening under a tent with delicious food, great band and fun baskets to bid on. One of our largest accomplishments in the last two years was completing our commitment to the Recreation Center to place a new LED sign in front of the building. It is now in place, and in doing so, we raised \$38,000. Take a bow, Ladies!

Our recent unity luncheons with Palos Park Woman's Club has been a successful endeavor. Thank you to Marilyn for the wonderful programs and to my Vice-President Mary Lee for her constant support and to my entire board. I have enjoyed attending the GFWC meetings and Convention and was so proud to accept Best in Show prize for our PHWC Quilt created by Susan Snow. It has been a wonderful 2 years and I humbly thank you for giving me the opportunity to be your President. You took the Time to Bloom with me and now it is a gorgeous bouquet. Love and Hugs,

Nancy Mitchell

Spring is just around the corner and it is time to go through our closets and get rid of our gently used winter shoes and those we are just not happy with anymore. You can bring them to the meeting or drop them off at Golden Shoes on 122nd & Harlem. Please let me know the quantity.

Please remember the food pantry during the summer months as they are always in need. This Department has done so much in the past four years thanks to all of you. It was a very rewarding experience knowing we have reached out globally to those in need. I sincerely feel we made a difference. Thank you all for your support. Have a very blessed Easter.

Annual Meeting & International Dinner

April 17, 2018, is the date of our Annual Meeting and International Dinner.

Be proud of your heritage and please bring an ethnic main dish or salad to share with our members. You do not have to bring desserts - that will be covered by the committee. Also, please bring some item that features your heritage. We will put these on a table and display them for all those in attendance. Hats, needlework pieces, costumes, photos — will all be welcome to share your pride. (Please put your name on the items.)

The meeting starts at 6:15 that evening — Hope to see a large crowd as we finalize our past year's activities and enjoy a great meal.

We will once again be selling \$25 and \$50 gift cards (which do not expire) that can be used for flowers, plants or any item in the Busy Bee store.

Included in this newsletter is an order form for pre-orders. If planting flowers is not your thing, please consider buying a gift card for either yourself or to give

While we encourage pre-ordering, we will be offering some perennials and vegetables for day of sales along with some patio pots, herbs, flats, and hanging baskets

All pre –orders must be received by 4/17.

BONUS*** If your order is received by **April 10** you will be entered in a raffle to win a \$25.00 gift card!

Disclaimer: Busy Bee will try their best to fill our order. If you are looking for a specific color, please note that on your order form but please understand they may have to substitute with comparable colors or items. We will need helpers on the day of sale and a sign-up sheet will be passed at the April meeting. Please contact Lois McCann or Kim Prokes to volunteer.

Art Department

On March 14, the Arts Department enjoyed a trip to Navy Pier to visit the "Flowertales" flower show the theme of which centered on books. 13 members and friends enjoyed the sights and sounds as we move forward into spring. Many thanks to Arlene Buyan and Judy Montell for arranging for this fun event.

On April 19, we will have another trip to visit the studio and home of Frank Lloyd Wright in Oak Park. See Darlene Prium for details.

Lois McCann

Public Issues

We have again received a very generous donation of time and materials for 31 more handmade lap blankets for the Veterans at Manteno. A thank you note has been sent to Pat Luchetta.

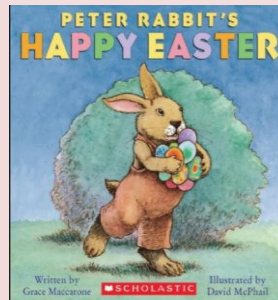

Mayor For A Day, an ongoing Public Issues project marks its 40th anniversary in 2018! It was started in 1978 by Marianne Orr whose efforts and dedication have kept it going for all these years. Marianne still chairs this project and it has been an asset to the youth and city council in our community. On behalf of the entire club we thank you! This year's presentation will be held on April 17 at Lake Katherine and City Hall.

Education

Yea for springtime! Members of the Education Department tutoring program at Palos East is in full swing and the children love the program. The tutoring program has been a true success and will continue until the first week of May 2018. A huge THANK YOU to all our volunteers! You are appreciated!

On Monday, March 19, I met with the principal of Navajo School, Lynn Adamonis, to discuss ideas to help

recover a classroom that was recently destroyed by fire. The school is currently waiting for the feedback from the insurance company after which the principal will have a better idea of what classroom materials will be needed. I asked if she could create a preliminary list by March 27, 2018 so I could share it at the board meeting. In addition, I presented the idea of the possibility of helping the school in some way during the 2018-2019 school year. Mrs. Adamonis was grateful and excited to know that our club wants to help! I will keep the club updated.

PHWC Book Review Group will be meeting for their second quarterly meeting on Thursday, May 3, 2018 at the Palos Heights Library. The group will be gathering at the library between 9:30-9:45. Looking forward to another exciting book review. See you there!

Education Department is collecting Box Tops and Campbell soup labels worth .10 cent each. Please save any amount helps! You can give them to Nancy Clark-Jurek. Education Department is open to ideas for any way we can help the Palos Community in an educational way!

The Palos Heights Woman's Club Thru the Years (1988 - 1998)

In approximately 1989, the Palos Heights Recreation Center provided space for the Woman's Club to create a community room. With funds raised by the Woman's club and labor supplied by the city of Palos Heights, two old classrooms were transformed into meeting rooms equipped with a new kitchen. The ribbon cutting ceremony and dedication of the Community Room was held on November 6, 1990 and the club was presented with a plaque of appreciation on March 9, 1991.

Throughout the 80's and 90's to the present time, Presidents would return from GFWC and IL 3rd District events with numerous awards from each of the Department areas as the Club continues in its efforts to raise funds for scholarships, donations to worthy organizations and enhance the beauty of our community with gifts of art.

Joan Meyers first conceived the idea of a "Gazebo in the Park". In the summer of 1992, the club began raising funds starting with a Garden Walk. With a theme of "Come to the Garden: an Invitation to Serenity" five local gardens were selected and box lunches were served at the Lake Katherine Clubhouse. Approximately \$2,000 was raised and banked in an account pledged for the gazebo. The garden walk became an annual event for raising gazebo funds along with a Gala Gazebo Ball and sales of t-shirts and stationery.

In 1994, under the leadership of then President Celeste Kappel, Rose Mateicka was appointed as Project Chairman and given approval to move forward on the Gazebo Project. A committee was formed to set goals and raise the funds required to make the Gazebo a reality. Through all of the Club's efforts, more than \$95,000 was raised and used to pay for the construction costs, three outside light posts, landscaping and benches. Engraved paver bricks form a promenade at the front steps to honor members, their families and others who contributed their support. A President's Walk was also included honoring the Woman's Club Presidents. To date, paver bricks can still be purchased in memory of a loved one or to commemorate a special occasion.

As this decade ends, the Club is preparing to celebrate their 60th anniversary with a gala anniversary ball, "Treasured Memories". Over the past 10 years, the club contributed close to \$100,000 to Club projects and philanthropies and in addition, contributions to community improvement projects such as the gazebo and the community room surpassed another \$100,000!

Sometime during the mid-90's the Rathnau Players were formed. Led by Lorene Rathnau the group would sing and perform to the delight of the membership. Lorene, specifically for the Palos Heights Woman's Club, authored the following ditty, sung to the tune of "Thanks For The Memory,"

Thanks For The Memory

Thanks to the Woman's Club – who tag on Donut Day, hold "Mayor for a Day, give scholarships, take luncheon trips, have fun along the way. We thank you so much.

Thanks to the Woman's Club - for food for ethnic night, desserts are our delight, at house walks and flower sales we worked with all our might. We thank you so much.

Many is the time that we feasted, fewer are times when we fasted, oh well it was swell while it lasted. We do have fun and much good is done.

So – thanks for the memory of camaraderie, hospitality, education, conservation and the library. We thank you so much.

Thanks for the memory Lorene and the Rathnau Players!

Thank You to all the members who already paid their dues. It is greatly appreciated and we are off to a great start receiving dues on time! Please send, drop off or bring your dues to the April meeting using the form below. Remember paying your dues on time saves the Club the expense of time, paper, mailing and emailing. Members who fail to pay by May 1 will be in arrears per our By-Laws and are in danger of not being in the Yearbook. While one reminder notice will be sent, please remember to pay your dues so you continue to receive club information. Last year numerous members turned their dues in late. This delayed printing of the Yearbook. If you are not in the Yearbook, we will have an addendum in the August Newsletter for members to add the names. We ask your cooperation this matter so the Yearbook is up-to-date.

We have had a successful year due to member participation on committees, activities and fundraisers. Many of you are also involved in other community organizations and have work and family commitments, but if we all help in some way, we can continue to grow and succeed, with the work spread out among members. Your continued commitment makes PHWC a better organization and supports our community and charities.

The club is planning for next year now and there are a number of ways to get involved. The House Walk Committee, (our major Fundraiser), always needs committee members. A few members cannot do it all and have the club be successful, but many can do a part and together make us a strong club. Please look through the Yearbook and decide how you will be involved next year. Department Directors and Standing Committees will be looking for Committee members to assist them next year and I encourage you to get involved. We will have signup sheets at our Annual Meeting in April. Please begin asking friends about joining our organization next year and referring them.
